

COMPREHENSIVE ACTION PLAN FOR PHASING OUT SINGLE USE PLASTIC

GOVERNMENT OF NAGALAND

INTRODUCTION

In line with the clarion call given by Prime Minister Shri Narendra Modi to phase out single use plastic by 2022, keeping in view the adverse impacts of littered plastic on both terrestrial and aquatic ecosystems, the Ministry of Environment, Forest and Climate Change, Government of India, has notified the Plastic Waste Management (Amendment) Rules, 2021 on 12th August, 2021 [vide No. G.S.R.571(E)], which prohibits identified single use plastic items which have low utility and high littering potential by 01 July, 2022.

Pollution due to single use plastic items has become an important environmental challenge confronting all countries. India is committed to take action for mitigation of pollution caused by littered Single Use Plastics. In the 4th United Nations Environment Assembly held in 2019, India had piloted a resolution on addressing single-use plastic products pollution, recognizing the urgent need for the global community to focus on this very important issue.

The manufacture, import, stocking, distribution, sale and use of following single-use plastic, including polystyrene and expanded polystyrene, commodities shall be prohibited with effect from the 1st July, 2022 as per the Plastic Waste Management (Amendment) Rule, 2021.

- a) Plastic carry bags less than seventy-five (75) microns in thickness with effect from the 30th September, 2021 and carry bags less than one hundred and twenty (120) microns in thickness with effect from the 31st December, 2022.
- b) Ear buds with plastic sticks, plastic sticks for balloons, plastic flags, candy sticks, ice-cream sticks, polystyrene [Thermocol] for decoration;
- c) Plates, cups, glasses, cutlery such as forks, spoons, knives, straw, trays, wrapping or packing films around sweet boxes, invitation cards, and cigarette packets, plastic or PVC banners less than 100 micron, stirrers.

In order to stop littering the State Government vide notification no. UDD/7-GEN/07/PWM/2016 Dated Kohima 17th June, 2019 imposed a total ban on all Single Use Plastic in the state.

The plastic packaging waste, which is not covered under the phasing out of identified single use plastic items, shall be collected and managed in an environmentally sustainable way through the Extended Producer Responsibility of the Producer, Importer and Brand owner (PIBO), as per Plastic Waste Management Rules, 2016 (as amended to date). For effective implementation of Extended Producer Responsibility under the Guidelines for Extended Producer Responsibility being brought out have been given legal force through Plastic Waste Management (Amendment) Rules, 2021.

The waste management infrastructure in the States/UTs is being strengthened through the Swachh Bharat Mission. The following steps have also been taken to strengthen implementation of Plastic Waste Management Rules, 2016 and also to reduce the use of identified single use plastic items.

OBJECTIVE:

1. To eliminate the prohibited identified Single Use Plastics (SUPs) from the State of Nagaland by 30th June, 2022.
2. To enhance the production and usage of eco-friendly alternatives to the identified SUPs.
3. Establishment of proper mechanism for monitoring of collection and recycling of plastic waste.

ACTION POINT:

This Comprehensive Action Plan (CAP) has been formulated with the following components to make the State of Nagaland as Single Use Plastic Free State by July, 2022.

1. Extensive survey for identified Single Use Plastic waste generation.
2. Intensifying inspection & monitoring of manufacturer, stockiest and vendors of identified Single Use Plastic.
3. Intensifying inspection & monitoring of industries manufacturing plastic items.
4. Finding suitable alternatives for identified Single Use Plastic and ensuring uninterrupted "Supply Chain "through Self Help Groups and MSME sector.
5. Declaration of Educational Institutes and Government Department as identified SUP free campus.
6. Establishing Collection Centre under Extended Producer Responsibility (EPR).
7. Ensuring establishment of Collection Centre under Extended Producer Responsibility (EPR).
8. Establish proper plastic waste collection and scientific disposal system.
9. Working out modalities for monitoring and regulation of informal sectors engaged in collection and recycling of plastic waste
10. Information Education and Communication (IEC) activities for mass awareness.
11. The Core Committee entrusted to prepare CAP may be given the responsibility for monitoring the approved CAP.
12. It is proposed to ban packaged drinking water bottle less than 1 litre.

This Comprehensive Action Plan has been prepared taking into account the National Level outlook in order to maintain the uniformity by encompassing the Ten (10) Thematic Areas and Forty Eight (48) actionable activities for elimination of Single Use Plastic (SUP) and effective waste management and state specific issues to tackle comprehensively the rampant use of plastic in the state.

ACTION PLAN FOR ELIMINATION OF IDENTIFIED SINGLE USE PLASTIC IN THE STATE OF NAGALAND:

1. SURVEY & INSPECTION:

Sl. No.	Task/Objective	Action points	Concerned Department	Timeline
1	Extensive survey for identified Single Use Plastic waste generation	<ul style="list-style-type: none"> i. To conduct a market survey for assessment of availability of SUPs in the market. ii. To ensure all shops, vendors including commercial establishments and Institutions to keep separate bins for collection of segregated plastic. iii. Pursuing Public Works Department and other concerned Agencies to use plastic waste for Road construction through scientific process. iv. Ensure prohibition of open burning of plastic waste. v. District Task Force to submit quarterly report to the State Level Task Force. 	<ul style="list-style-type: none"> 1. District Administration 2. Home 3. Police 4. Municipal Affairs 5. Urban Development 6. Rural Development 7. PWD (R&B) 8. NPCB 9. DTF 10. All denomination – Nagaland Christian Forum 	1 year
2	Intensifying inspection & Monitoring of stockiest and vendors of identified Single Use Plastic	<ul style="list-style-type: none"> i. District Level Task Force already constituted will carry out surprise inspection of stockiest and market place periodically. The DTF will seize banned identified SUP and seal the premises of habitual violators. ii. Penalty for traders/agencies involved in dealing with non- permitted plastics iii. Implementation of penalty/spot fines for non-compliance to PWM Rules, 2016 as per PWM by-laws incorporated by ULBs iv. ULB level Task Force to be formed in all 39 Municipal/Town Councils of Nagaland headed by Administrator of the ULB 	<ul style="list-style-type: none"> 1. Urban Development 2. Municipal Affairs 3. NPCB 4. Police 5. Industries & Commerce 6. District Administration 7. Home 8. DTF 	Continuous process

		<p>for monitoring and effective implementation of PWM Rules, 2016 (as amended to date).</p> <p>v. Assessment and submission of reports of the yearlong activities and practices pertaining to phasing out SUP.</p> <p>vi. Under Rule 11 of the Plastic Waste Management (Amendment) Rules, 2021, the District Task Force shall check the marking or labeling for plastic carry bag and it shall have the following information printed in English namely, - (a) name, registration number of the manufacturer or producer or brand owner, and thickness of carry bag.</p>		
3	Intensifying inspection & Monitoring of industries manufacturing plastic items	Inspection and monitoring of plastic items manufacturing industries for preventing manufacturing of identified SUPs	NPCB	1 year

2. ALTERNATIVES & INITIATIVES:

Sl. No.	Task/Objective	Action points	Concerned Department	Timeline
1	Finding suitable alternatives for identified Single Use Plastic and ensuring "Supply Chain" through Self Help Groups and MSME sector	<p>1.non-availability of suitable Alternative for SUP is one of the constraints for strict implementation of the Plastic Waste Management (Amendment) Rules, 2021. The following locally available materials are found to be best suitable alternatives:</p> <p>a) Low-cost cloth or paper bags.</p> <p>b) Suitable Leaves for dish & bowl, areca nut pad for dish & bowl etc.</p> <p>c) Use of wood / bamboo for making cutlery, ear buds stick, sticks for balloons, candy sticks & ice-cream</p>	<ol style="list-style-type: none"> 1. Industries & Commerce 2. Urban Development 3. Municipal Affairs 4. Rural Development 5. Nagaland State Rural Livelihood Mission (NSRLM) 6. NBDA 7. NPCB 	2 years

		<p>sticks etc.</p> <p>d) Use of paper cup and straw; Use of earthen cup and glass.</p> <p>e) Cloth/jute/paper bags to be used and avoid use of plastic bags;</p> <p>f) Tea stalls to use only stainless steel/glasses/paper cups/earthen cups or any other permissible material other than plastic;</p> <p>A by-law in this regard may be prepared and passed as well.</p> <p>a) Providing training to SHG to prepare alternative product in place of SUP.</p> <p>b) Allot stalls for sale of alternative products at low cost.</p> <p>c) It is proposed to provide financial assistance to the Self Help Groups (SHG)/MSME sector and incentivize the manufacturers for maintaining uninterrupted supply of these alternative items.</p>		
2	Declaration of Educational Institutes and Government Department as identified SUP free campus	<p>i. All Educational Institutes of the State and all the Government Offices, Parks, Tourist places, Picnic Spots & Religious places shall be declared as identified SUP free campus.</p> <p>ii. Model villages & Wards (in case of towns/ cities) will be selected & declared as single use plastic (SUP) free villages/wards.</p> <p>iii. Village Panchayat shall endeavor to create every village plastic free.</p>	<ol style="list-style-type: none"> 1. District Administration 2. School Education Dept. 3. Higher Education Dept. 4. Env. & Forest Dept. 5. Tourism Dept. 6. Municipal Affairs 7. Urban Development 8. NPCB 9. PHED 10. SBM Rural 11. Rural Development 	2 years

3. EXTENDED PRODUCER RESPONSIBILITY (EPR) & MANAGEMENT:

Sl. No.	Task/Objective	Action points	Concerned Department	Timeline
---------	----------------	---------------	----------------------	----------

1	Establishing Collection Centre under Extended Producer Responsibility (EPR)	<ol style="list-style-type: none"> i. All the Brand Owners shall be directed to establish their product waste collection centres in the state under Extended Producer Responsibility (EPR) in collaboration with Local Bodies. ii. The plastic packaging waste, which is not covered under the phase out of identified single use plastic items, shall be collected and managed in an environmentally sustainable way through the Extended Producer Responsibility of the Producer, importer and Brand owner (PIBO), as per Plastic Waste Management Rules, 2016. 	<ol style="list-style-type: none"> 1. Industries & Commerce 2. Municipal Affairs 3. Urban Development 4. NPCB 5. CPCB 	2 years
2	Ensuring establishment of Collection Centre under Extended Producer Responsibility (EPR)	Incorporate establishment of collection Centre under Extended Producer Responsibility (EPR) as a mandatory condition for consent/registration of Brand Owners/manufacturer of plastic items (besides identified SUPs)	<ol style="list-style-type: none"> 1. NPCB 2. CPCB 3. Municipal Affairs 4. Urban Development 	Continuous process
3	Establish proper plastic waste collection, segregation Infrastructure and scientific disposal system	<ol style="list-style-type: none"> i. Plastic waste, which can be recycled, shall be channelized to registered plastic waste recyclers. ii. Local bodies and PWD (R&B) shall encourage the use of plastic waste (preferably the plastic waste which cannot be further recycled) for road construction. iii. Thermo set plastic waste shall be processed and disposed off as per the guidelines issued from time to time by the Central Pollution Control Board. iv. ULBs shall make necessary arrangements to facilitate 	<ol style="list-style-type: none"> 1. Urban Development 2. Municipal Affairs 3. Rural Development 4. District Administration 5. PWD (R&B) for Road Construction 6. NPCB 7. DTF 	Continuous process

		<p>supply clean plastic wastes to PWD for use in road construction</p> <p>v. At ULB/Village Panchayat level:</p> <ul style="list-style-type: none"> • Mini Material Collection Facility Centre at every village. These Mini MCF will have storage for biodegradable, non-biodegradable and SUPs. • Plastic Management Unit (PMU) at ULB level for recycling and/or land-filling of the SUPs. • Village Panchayat will ensure segregation at source and carry and transport the wastes to the PMU. 		
4	Working out modalities for monitoring and regulation of informal sectors engaged in collection and recycling of plastic waste	<p>i. Free registration of agencies involved in plastic recycling in ULBs area.</p> <p>ii. Registration of rag pickers under ULBs.</p> <p>iii. Mobilize rag pickers to collect plastic wastes through awareness programmes. Recyclable plastic waste shall be channelized to recyclers.</p> <p>iv. Channelization of waste pickers to formal sector - Identity cards to be issued to waste pickers/informal workers involved in waste handling in all ULBs</p> <p>v. Plastic banks to be installed by ULBs for collection of Single Use Plastics.</p>	<ol style="list-style-type: none"> 1. District administration 2. Urban Development 3. Municipal Affairs 4. NPCB 	Continuous process

4. INFORMATION EDUCATION & COMMUNICATION ACTIVITIES:

Sl. No.	Task/Objective	Action points	Concerned Department	Timeline
1	IEC activities for mass awareness	<p>IEC activities for mass awareness shall be as under:</p> <p>i. To make short films on the ill</p>	<ol style="list-style-type: none"> 1. Home 2. District Administration 	Continuous process

		<p>effect of usage of identified SUP and necessity of adopting other eco- friendly alternatives.</p> <p>ii. To publish in print media & electronic media on the ill effects of usage of identified SUP.</p> <p>iii. To organize poster making competition, extempore speech competition among school students.</p> <p>iv. To include in the school curriculum chapters pertaining to ill effects of SUPs on the environment and emphasizes on sustainable alternatives.</p> <p>v. To conduct periodical awareness programme in all the villages/wards about the ill effect of usages of SUP.</p> <p>vi. To select the best village in each district for “Zero Single Use Plastic” and awarding during Independence Day, Republic Day etc. Placing of hoardings on ban of SUP in all places.</p> <p>vii. Documentation of success stories.</p> <p>viii. Public Grievance Cell shall be set up in all the ULBs for redressal of grievances related to plastic waste.</p> <p>ix. Community Education for rural areas: Various segments of the community (waste generators) will be educated. It will include the households, SHGs, shopkeepers, tea stalls, local restaurants, school children, health centre, marriage and community halls, etc.</p> <p>x. Use of Colour Coded Waste Bin: Every household in a ULB & Village Panchayat shall arrange to use two (2) different colour bins.</p> <p>xi. Distribution of Leaflets: Leaflets and handbills in the local dialect will be distributed.</p>	<p>n</p> <p>3. Urban Development</p> <p>4. Municipal affairs</p> <p>5. Rural Development</p> <p>6. Education Dept.</p> <p>7. DIPR</p> <p>8. AIR Kohima</p> <p>9. Medical Department</p> <p>10. Nagaland Christian Forum</p> <p>11. NPCB</p>	
--	--	--	---	--

		<p>xii. Students Orientation: Brief orientation on Plastic Waste and other waste Management to achieve SUP free locality.</p> <p>xiii. Banners and Hoardings: Banners and hoardings will be placed at public place with maximum visibility.</p> <p>xiv. Cultural Activities: Cultural activities with messages on waste management will be organized in the villages (mobile theatres).</p> <p>xv. Campaign for Cleaning Public Places: Cleaning up the schools premises and all religious or community institutions, infamous spots where people usually chuck their waste. Such places will be cleaned up through a special cleaning drive.</p> <p>xvi. Social Media: Short videos will be developed and disseminated through social media like Facebook, WhatsApp etc.</p> <p>xvii. Ensure prohibition of open burning of plastic waste.</p>

Comprehensive Action Points as per the indicative thematic areas to be covered under the Action Plans for elimination of identified Single Use Plastic items:

Sl. No.	Thematic Area/ Activity/ Sub-Activity	Budget allocation (if needed)/ source of budget	Nature of activity. Continuous/ Short term/ medium term/ Long term)	Timeline	Responsible Department/ Agency
	1. Policy and Regulatory Framework				
1.1	Preparation of a comprehensive action plan for elimination of single use plastics		On-going		Urban Development Department, Department of Municipal Affairs, Department of Industries and Commerce and Nagaland Pollution Control Board.
1.2	Policy for inclusion of components relating to elimination of Single Use Plastic (SUP) and remediation/ management of legacy waste in project proposals under SBM 2.0		Short Term	1 Year	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
1.3	Policy for development of decentralized recycling infrastructure/End of Life Disposal infrastructure, with special focus on low-value plastics		Short Term	1 Year	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
1.4	Policy for effective enforcement of PWMR through byelaws of local bodies (like spot fines)		Short Term	1 Year	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
	2. Institutional Mechanism				
2.1	Constitution of State Level Special Task Force	Nil	Constituted		
2.2	Identification of nodal department for coordinating the implementation of Plastic			2 years	Urban Development Department, Department of Municipal Affairs,

	Waste management (for urban as well as rural areas)				Department of Rural Development and Nagaland Pollution Control Board
2.3	Constitution of City Level Task Force for million plus cities: under Commissioner of Municipal Corporation or Deputy Commissioner or District Magistrate or any other officer of suitable rank as deemed appropriate by the State/UT Government	Nil	Constituted		Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
2.4	Constitution of District Level Task Force (excluding million plus cities) under District Magistrate (for both rural and urban areas)	Nil	Constituted		Urban Development Department, Department of Municipal Affairs, Nagaland Pollution Control Board
2.5	Setting up of plastic waste management cell at State level (each in Urban and Rural Development Departments or concerned Departments), District level (in zila Parishad for all the rural areas and in each ULB)	-	Short term	2 years	Urban Development Department, Department of Municipal Affairs, Rural Development Department, Nagaland Pollution Control Board
	3. Management of littered Single use plastic items				
3.1	Identification of littering hotspots w.r.t SUP items and development of strategy for their collection and further management		Short term	2 Years	Urban Development Department, Department of Municipal Affairs, Nagaland Pollution Control Board
3.2	Identification of ingress points of littered SUP items in surface water bodies and drains and strategy for prevention		Short term	2 Years	Urban Development Department, Department of Municipal Affairs, Nagaland Pollution Control Board
3.3	Phased plan for cleaning surface water bodies, and drains of floating SUP items and their further management		Short term	2 Years	Urban Development Department, Department of Municipal Affairs, Nagaland Pollution Control Board

3.4	Document total quantity of plastic waste present in legacy waste sites and implementation of plan to manage legacy plastic waste-location-wise		Short term	2 Years	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
3.5	Activities to be specifically included under SBM 2.0 for SUP elimination and management of legacy waste sites as per guidelines		Short term	2 Years	Urban Development Department, Department of Municipal Affairs, Nagaland Pollution Control Board
	4. Plastic Waste Management including Single Use Plastics				
4.1	Assessment of plastic waste generation in State/UT, District-wise		Short term	2 Years	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
4.2	Assessment of infrastructure required for plastic waste management- collection, segregation, recycling/EOLD-District-wise		Short term	2 Years	Urban Development Department, Department of Municipal Affairs, Nagaland Pollution Control Board
4.3	District-wise details of infrastructure at municipal and gram panchayat level for collection, segregation and channelization plastic waste to recyclers/EOLD		Short term	2 Years	Urban Development Department, Department of Municipal Affairs, Rural Development Department, Nagaland Pollution Control Board
4.4	Gap analysis and strategy for development of infrastructure for PWM-District-wise including ULBs		Short term	2 Years	Urban Development Department, Department of Municipal Affairs, Nagaland Pollution Control Board
4.5	Leveraging of funds under Swachh Bharat Mission 2.0 as per guidelines				Urban Development Department, Department of Municipal Affairs, Nagaland Pollution

					Control Board
4.6	Strategy for collection and segregation of plastic waste at the municipal and GP level		Short term	2 Years	Urban Development Department, Department of Municipal Affairs, Rural Development Department and Nagaland Pollution Control Board
4.7	Scheme for registration of Producers/Importers and Brand owners and Recyclers and Plastic Waste Processors by SPCB/PCC		Continuous	Continuous	Urban Development Department, Department of Municipal Affairs, and Nagaland Pollution Control Board
4.8	Development of database of PIBO implementing EPR		Continuous	Continuous	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
4.9	Scheme for verification/audit of recyclers, PIBOs, EOLD entities by SPCB/PCC		Continuous	Continuous	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
4.10	Strategy for regular data collection w.r.t plastic waste and reporting under PWMR by State/UR and ULBs		Continuous	Continuous	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
	5. Enforcement of Ban Imposed on the use of Identified Single Use Plastic Items at District/ULB/GP level				
5.1	Regular enforcement drives and action taken against violations		Continuous	Continuous	District Task Force, Urban Development Department, Department of Municipal Affairs, Rural Development Department and Nagaland Pollution

					Control Board
5.2	Identification and closure of manufacturing facilities of prohibited SUP items		Short term	1 year	District Task Force, Urban Development Department, Department of Municipal Affairs, Rural Development Department and Nagaland Pollution Control Board
	6. Plastic Recycling Infrastructure and End of Life Disposal Facilities				
6.1	Development of database of recyclers of plastic category wise and also EOLD entities including recycling capacity		Short Term	2 Years	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
6.2	Development of plan for setting up recycling facilities		Short Term	2 Years	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
6.3	Incentives scheme for setting up of plastic recycling capacity category-wise		Medium Term	3 Years	Urban Development Department, Department of Municipal Affairs, Finance Department,, Planning and Transformation Department and Nagaland Pollution Control Board
6.4	Development of industrial composting facilities for compostable plastics; Number and Quantity		Medium Term	3 Years	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
6.5	Development of infrastructure for EOLD, - waste to oil, waste to energy, road construction, co-processing cement kilns		Medium Term	3 Years	Urban Development Department, Department of Municipal Affairs, Nagaland Pollution Control Board

6.6	Scheme for promotion of recycling technologies and products made from recycled plastics		Medium Term	3 Years	Urban Development Department, Department of Municipal Affairs, Finance Department, Planning and Transformation Department and Nagaland Pollution Control Board
	7. Development and Promotion of Alternatives to prohibited SUP items and promoting innovation				
7.1	Development of scheme for providing assistance in setting up manufacturing capacities of alternatives including for enterprises transitioning away from SUP (Number of enterprises, quantity)		Long Term	3 Years	Urban Development Department, Department of Municipal Affairs, Finance Department, Planning and Transformation Department and Nagaland Pollution Control Board
7.2	Providing incentives for penetration of alternatives in the market		Medium Term	3 Years	Urban Development Department, Department of Municipal Affairs, Finance Department, Planning and Transformation Department and Nagaland Pollution Control Board
7.3	Development of database of producers of alternative products including compostable plastic manufacturing capacity		Short Term	2 Years	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
7.4	Promotion Scheme for alternatives to prohibited SUP items		Medium Term	3 Years	Urban Development Department, Department of Municipal Affairs, Finance Department, Planning and Transformation Department and Nagaland Pollution

					Control Board
7.5	Scheme for promoting producers to change design of plastic packaging to reduce use of plastic packaging materials		Medium Term	3 Years	Urban Development Department, Department of Municipal Affairs, Finance Department, Planning and Transformation Department and Nagaland Pollution Control Board
7.6	Research and Development on creating alternative packaging materials to plastics		Medium Term	3 Years	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
	8. Data Collection and Monitoring Mechanism				
8.1	Development of online database and monitoring system covering items covered under Comprehensive Action Plan		Medium Term	3 Years	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
8.2	Online public grievance/complaints portal		Short Term	2 Years	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
8.3	Mechanism to undertake regular quarterly survey for (i) prohibited single use plastic items in plastic waste and (ii) compositional characterization of plastic waste in the following categories (a) Rigid Plastic Packaging including MLP. (b) Flexible plastic packaging- single and multilayered of the plastics only and (c) Multilayered multi		Short Term	2 Years	Urban Development Department, Department of Municipal Affairs, Nagaland Pollution Control Board

	material (at least one layer of plastic and at least one layer of other material) plastic packaging				
	9. Awareness generation and capacity building				
9.1	Preparation of road map for awareness generation activities at State, District and ULB/GP level for citizens, institutional waste generators, RWAs/ Market Associations		Short Term	2 Years	Urban Development Department, Department of Municipal Affairs, Rural Development Department and Nagaland Pollution Control Board
9.2	Development of a public movement by engaging with youth organizations such as NCC, NSS, NYK and school students		Short Term	2 Years	Urban Development Department, Department of Municipal Affairs, Youth Resource and Sports Department, School Department and Nagaland Pollution Control Board
9.3	Strategy for targeted campaign at littering hotspots such as tourists spots, places of religious and cultural importance, weekly markets, urban sprawls against littering and promoting alternate packaging material		Short Term	2 Years	Urban Development Department, Department of Municipal Affairs, Tourism Department, Industries & Commerce Department and Nagaland Pollution Control Board
9.4	Capacity building for repurposing and promoting reuse of plastic packaging		Short Term	2 Years	Urban Development Department, Department of Municipal Affairs and Nagaland Pollution Control Board
9.5	Capacity building of ULBs and GPs for PWM		Short Term	2 Years	Urban Development Department, Department of Municipal Affairs, Rural Development Department, PHED and Nagaland Pollution Control

					Board
	10. Action taken for reducing/elimination of SUP items in the State/UT, Government offices, attached /subordinate offices, PSUs/ Organizations				
10.1	<p>Government of Nagaland Notifications issued for Ban of SUP items in the state:</p> <p>i) No.UDD/7-GEN/07-PWM/2018 Dated Kohima the 29th Nov, 2018</p> <p>ii) No.UDD/7-GEN/07-PWM/2018 Dated Kohima the 17thJune, 2019</p> <p>iii) No.UDD/7-GEN/07-PWM/2018 (pt-1) Dated Kohima the 11thMarch, 2022</p> <p>iv) No.UDD/7-GEN/07-PWM/2018 (pt-1) Dated Kohima the 11th April, 2022</p>				Urban Development Department, GoN.
