(EIACP Division)

Annual Progress Report 2023-24 on Activities of Nagaland EIACP PC-Hub

1.	Name of Host Organization:	Nagaland Pollution Control Board
2.	Assigned Subject Area:	State of Environment and its Related Issues in Nagaland
3.	Date/Month/Year of establishment of EIACP Centre:	01/10/2017
4.	Name and designation of EIACP Coordinator:	Shri. K. Hukato Chishi, IFS Member Secretary, Nagaland Pollution Control Board
5.	Has the Host Organization constituted an Advisory Committee to guide the activities of the Centre?	Yes
	Composition of the Advisory Committee: (Select YES or NO: if YES kindly fill the right column space; if NO kindly leave it blank)	i) Mr. Akangmeren Imchen, Scientist B, NPCB ii) Er. Aghali Swu, Environmental Engineer, NPCB iii) Mr. Puloketo Achumi, Geologist, Geological Survey of India iv) Ms. Khriehunuo Rutsa, PO, EIACP (as member)

6.	Current EIACP Staff Structure:							
	Name	Position held	Qualification and Experience	Joining Date in EIACP Centre	Joining Date in current position	2023-24		
						Leaving Date (if applicable)	Emoluments drawn (Rs.)	
							Monthly	Annual
	Khriehunuo Rutsa	Programme Officer	M.Sc Environmental Science & 9 years of working experience	01.10. 2017	01.04. 2022	-	50,000	6,00,000
	Lashikali Chishi	Information Officer	MSW Medical Psychiatry & 2 years of working experience	01.04. 2022	01.04. 2022	-	42,000	5,04,000
	Nannenlo Semy	IT Officer	P.U (Sc) & Diploma in IT & 5 years of working experience	01.06. 2019	29.07. 2021	-	34,000	4,08,000
	Ithika A Swu	Data Entry Officer	12 Pass & 3 years of working experience	29.07. 2021	29.07. 2021	-	16,000	1,92,000

7.	Mandate of the Host Organization	Mandate of the EIACP Centre
	<ol style="list-style-type: none"> 1. To plan a comprehensive programme for the prevention, control or abatement of water and air pollution in the state and to secure the execution thereof; 2. To advise the state Government on any matter concerning the prevention, control or abatement of water and air pollution; 3. To collect and disseminate information relating to water and air pollution, and the prevention, control or abatement thereof; 4. To encourage, conduct and participate in investigation and research relating to problems of water pollution and prevention, control or abatement of water pollution; 5. To collaborate with the central board in organizing the training of persons engaged or to be engaged in programmes relating to prevention, control or abatement of water and air pollution and to organize mass education programmes relating thereof; 6. To inspect sewage or trade effluent, works and plants for the treatment of sewage and trade effluents and to review plans, specifying or other data relating to plants set up for the treatment of water, works for the purification thereof and the system for the disposal of sewage or trade effluents or in connection with the grant of consent as required by the Water Act; 7. To inspect at all reasonable times, any control equipment, industrial plant or manufacturing process and to give, by order, such directions to such persons as it may consider necessary to take steps for the prevention, control or abatement of air pollution in such areas; 8. To lay down, in consultation with the Central Board and having regard to the standards for the quality of air laid down by the central board, standards for emission of air pollutants in the atmosphere from industrial plants and automobiles or for the discharge of any air pollutant into the atmosphere from any other source whatsoever not being a ship or an aircraft; 9. To evolve economical and reliable methods of treatment of sewage and trade effluents having regard to the peculiar conditions of soils, climate and water resources of different regions and more specially the 	<ol style="list-style-type: none"> 1. Collection and storing local environmental issues/news through various sources. 2. Collection of books, newsletters, pamphlets, write-ups on environmental issues from different agencies. 3. Dissemination of information to government departments, students, libraries, research scholars, NGOs, various other agencies and to the general public. 4. Conducting awareness activities 5. EIACP Hubs/RPs are driven to be a decision support system (DSS) at all levels of government with new green initiatives of MoEF&CC, such as GSDP. 6. To nurture green, sustainable and inclusive workforce in order to enhance both living and environmental standards while fostering gainful and self-employment of youth. 7. To conduct skilling courses not only in traditional areas but also in new emerging areas like electric vehicles, hazardous waste/Biomedical waste etc. considering their future scope, requirements and prospects. 8. To be involved in the Mission LiFE (Lifestyle for Environment) being conceptualized by the Ministry. 9. To facilitate technical and environmentally conscious industrial participation focused on sustainable development. 10. To develop national and international collaboration for knowledge exchange and skilling and facilitate attainment of the SDGs. 11. To aid sustainable livelihoods of the tribal population, especially in NER based on traditional knowledge and crafts. 12. To facilitate informed decisions and policy-making by catering to the demand for research, innovation and data on emerging issues related to the environment. 13. To facilitate the transition to environmentally conscious futuristic citizens including awareness among the public/communities on environment-related issues. <p>Mission LiFE:</p> <p>Mission LiFE pioneered by India, would be the</p>

<p>prevailing flow characteristics of water in streams and wells which render it impossible to attain even the minimum degree of dilution;</p> <ol style="list-style-type: none"> 10. To evolve methods of utilization of sewage and suitable trade effluents in agriculture; 11. To evolve efficient methods of disposal of sewage and trade effluents on land, as are necessary on account of the predominant conditions of scant stream flows that do not provide for major part of the year the minimum degree of dilution; 12. To lay down standards of treatment of sewage and trade effluents to be discharged in any particular stream by taking into account the minimum fair weather dilution available in that stream and the tolerance limits of pollution permissible in the water of the stream, after the discharge of such effluents; 13. To make, vary or revoke any order for prevention, control or abatement of discharge of waste into streams or wells and requiring any person concerned to construct new system for the disposal of sewage and trade effluents or to modify, alter or extent any such existing system or to adopt such remedial measures as are necessary to prevent control or abate water pollution; 14. To lay down effluent standards to be complied with by persons while causing discharge of sewage or sullage or both, and to lay down, modify or annul effluent standard for the sewage and trade effluents; 15. To advice the State Government with respect to the suitability of any premises or location of any industry, which is likely to cause air pollution or likely to pollute a stream or well; 16. To perform such other functions as may be prescribed or as may, from time to time, be entrusted to it by the Central Board or the State Government; and 17. To do such other things and to perform such acts as it may think necessary for the proper discharge of its functions and generally for the purpose of carrying into effect the purpose of the Air Act. 	<p>driver for sustainable and climate-friendly lifestyles. It aims to create a coalition of pro-planet people and a mass movement for sustainable lifestyles. MoEF&CC would develop a programme of action to establish the leadership of the Government of India on Sustainable Lifestyles. Programme Centres will be actively involved in the implementation of activities/action plan of Mission LiFE.</p> <p>Target Beneficiaries:</p> <ul style="list-style-type: none"> • Youth and students keen to pursue a career in the environmental sector • Budding entrepreneurs, and working professionals including those in industrial sector, scientific and technical institutions and International Organizations • Tribal population and NER • Line Departments/ Ministries (including MoEF&CC) and their autonomous bodies, research scholars and academic organizations/institutions • General public/communities

8. Databases

8.1. Catalogue of Non-numeric Databases compiled by the EIACP Centre till date:

Name of Database	Description (in brief)	Data type (descriptive/ graphical/ geospatial/ etc.)	Status of Updation/ Periodicity/ Data Points Compiled (including date/month/yea r of last data point)	Source(s) of data	Online Availability (Whether uploaded on EIACP Website)
News Items	Local Environmental related news is collected and compiled	Descriptive	Whenever such news items are available. Last data point: 30/03/2024	Local Newspapers, TV, Internet, Journals, Newsletters & Research papers, Spot visits.	Yet to receive Website details from the EIACP secretariat, however, the details are uploaded in NPCB website (npcb.nagaland.gov.in)
Photographs	Pictures of environmental related events occurring in the state are covered. Spot visit done wherever possible. Events like seminar, workshops, environmental campaigns, observation of environmental related days organized by the Hub and other agencies/organizations are also documented.	Pictorial	Whenever such events occur. Last data point: 22/03/2024	EIACP Staff visit places of incidence whenever possible to collect data in the form of write up and pictures. Social media like twitter, instagram, facebook, whatsapp, etc. are also utilized for acquiring pictures.	-do-

Name of Database	Description (in brief)	Data type (descriptive/ graphical/ geospatial/ etc.)	Status of Updation/ Periodicity/ Data Points Compiled (including date/month /year of last data point)	Source(s) of data	Online Availability (Whether uploaded on EIACP Website)
Newsletters/ Journals/ Pamphlets/ Booklets	A number of different newsletters/bulletins are received by the Centre every month from different agencies.	Descriptive	Monthly/Bi-monthly/ Quarterly etc Last data point: 30/03/2024	Government departments and various agencies from within and outside the State.	Yes
Documentation of awareness activities with school students	Environmentally relevant activities are often conducted with Eco Club registered schools to spread awareness among students and the local inhabitants in and around the schools and such activities are documented.	Descriptive/ pictorial	Whenever such events are organized. Last data point: 22/03/2024	Nagaland Pollution Control Board	Yes

8.2. Numeric and Time-series Databases compiled by the Centre till date:

Name of Database	Description (in brief)	Time Period (Starting year-Ending year) and Periodicity (annual/ monthly/ other)	Source(s) of data	Online Availability (Whether uploaded on EIACP Website)
Ambient air quality data of Nagaland	Data collected from 11 (eleven) air monitoring stations in Dimapur (7 stations) and Kohima (4 stations) districts for SO ₂ , NO ₂ and RSPM are compiled. Yearly comparison of data is also done to be used in dissemination of information.	<u>Time Period</u> 2010-till date. <u>Periodicity</u> Monthly	Nagaland Pollution Control Board	EIACP website details yet to be received from EIACP secretariat, however, the details are uploaded in NPCB website (npcb.nagaland.gov.in)

Name of Database	Description (in brief)	Time Period (Starting year-Ending year) and Periodicity (annual/ monthly/ other)	Source(s) of data	Online Availability (Whether uploaded on EIACP Website)
Water Quality Data of Nagaland	Data collected from 28 monitoring stations covering major rivers of Nagaland	Time Period 2010-till date	Nagaland Pollution Control Board	-do-
Noise Pollution data	Noise level data collected during festivals such as Deepawali, Christmas and New Year	<u>Time Period:</u> 2010 till date <u>Periodicity:</u> Once a year on the day of the specified festivals	Nagaland Pollution Control Board	-do-
List of Industries and Hospitals	List of Industries and Hospitals operating in the state are also compiled.	<u>Upto 2022-23</u>	Nagaland Pollution Control Board	-do-
ISBEID	In the process of collection of information from different sources for updating the various modules.	<u>Periodicity:</u> Cannot be specified.	Nagaland Pollution Control Board, various state government departments and agencies	Not yet

11. Mission LiFE Activities 2023-24:

Webinar on account of World Health Day with Dr I. Pihoto Khala, National Consultant, Food and Agricultural Organization (FAO) of the United Nations on 6th April 2023.

Mission LiFE awareness programme on 23rd, 24th, 25th August 2023 at Government Higher Secondary School, Chukitong, Jawarhar Navodaya Vidyalaya, Chukitong, Bailey Baptist College, Wokha, Baptist Mission School, Chukitong and Government Higher Secondary School, Wokha under Wokha District

Mission LiFE awareness programme on 17th May and 31st May 2023 at Highland Hall School and Bethel Baptist School under Nuiland District respectively

Mission LiFE awareness programme on 23rd, 25th, 26th, 29th, 30th May and 1st June at GMS Dhansiripar, GMS Kiyeto, GMS Rangapahar Crossing, GMS Diezephe, GHSS, Chumoukedima, and Charity Residential School, Unity Village under Chumoukedima District.

Mission LiFE awareness programme on 18th and 19th May at Don Bosco Higher Secondary School, Sechu Zubza and Government Primary School, Peducha under Kohima District.

Workshop on Waste Management and Mission LiFE in commemoration of International Day of Clean Air for Blue Skies on 8th September 2023, at North East Institute of Social Sciences and Research (NEISSR)

Nature Trail with Brighter Academy on 22nd May 2023 on occasion of International Biodiversity Day at Nagaland Zoological Park, Rangapahar on the theme “From Agreement to Action: Build Back Biodiversity” under Mission LiFE.

Celebration of World Ozone Day and awareness programme on Mission LiFE under the theme “Montreal protocol: Fixing the ozone layer and reducing climate change” at Government Middle School Zaka, Vishiyi village, Nuland District, on 15th September 2023

Celebration of National Wildlife Week on 6th October 2023 on the theme “Partnerships for Wildlife Conservation” in collaboration with Nagaland Zoological Park, Rangapahar, Chumoukedima district and Care-Center for Environment and Rural Poor (C-CERP)

Celebration of World Forestry Day and awareness programme on Mission LiFE at Government Higher Secondary School, Chumoukedima under the theme “Forests and Innovation: New Solutions for a Better World” on 21st March 2024.

Celebration of World Water Day and awareness programme on Mission LiFE at Mount Mary College under the theme “Water for peace” on 22nd March 2024.

Mega Event North East Yatra for Lifestyle for Environment (LiFE) and North East Zone Regional Evaluation at Guwahati on 11th -12th December 2023

12. Data Availability Status Under National Environment Survey (NES-GRIDDS)

c. EIACP library	There is no official EIACP library as of now but the EIACP Hub collects books, newsletters, journals, and articles collected from newspapers, the internet, government departments and various other Agencies.	Due to space constraints, the EIACP library has not been set up properly yet. Upon completion of the laboratory building, space for the EIACP Library will be available.
d. ISBEID	Available data is collected, compiled and uploaded on the portal as and when data is available.	Lack of recorded data with concerned line departments and issues with ISBEID portal which have been communicated to the EIACP Secretariat along with screenshots
e. Photo Bank	Photos of programmes and events conducted are compiled for the record.	Photos will be uploaded on the website as and when website details are received. However, photos are available on all social media platforms (Facebook, Instagram and Twitter)
f. Development of Educational kits	No specific educational kit has been developed but posters, banners and pamphlets are printed and disbursed for awareness activities.	

g. Development of mobile apps	ENVIS Nagaland mobile app was developed on March 2022.	Launch on 15 th July 2022
h. Query-Answer	-	-
2. State of Environment (SoE) Report:	-	-
3. State of Environment Atlas:	-	-
4. Grid-Based Decision Support System (GRIDSS):	Kohima District has been selected to take up the 1st phase of NES-GRIDSS in the State.	Data gap from line different line Govt. Departments and other agencies within the state is one of the main issues and drawbacks faced by the Hub.
5. Green Skill Development Programme (GSDP):	-	-
6. Community-driven Environmentally Sustainable Villages Programme	-	-
7. Monitoring (Ground Truth Verification) of Schemes:	-	Will be conducted as and when directed by the MoEF&CC
8. Extension & Outreach Programmes	Programmes are organized in all districts of Nagaland in collaboration with other departments, agencies and school students to spread awareness. Activities such as cleanliness drives, and plantation drives are organized with the school and college eco clubs. Environmentally important days like World Environment Day, World Ozone Day, World Wetlands Day and Wildlife Week are also observed. The EIACP staff visits the districts and monitors activities during such programmes.	-
9. Reaching-out/ Networking Activities	-	-

14. Status of Existing Hardware
