Annual Progress Report 2018 - 2019 on Activities of Nagaland ENVIS Hub

1.	Name of Host Organization:	Nagaland Pollution Control Board
2.	Assigned Subject Area:	State of Environment and its related issues in Nagaland
3.	Date/Month/Year of establishment of ENVIS Centre:	01/10/2017
4.	Name and designation of ENVIS Coordinator :	Mr. Rusovil John Member Secretary, Nagaland Pollution Control Board
5.	Has the Host Organization constituted an Advisory Committee for guiding the activities of the Centre?	Not Yet
	<p>Composition of the Advisory Committee:</p> <p>(Select YES or NO: if YES kindly fill the right column space; if NO kindly leave it blank)</p> <p style="margin-left: 20px;"> <input type="radio"/> YES <input type="radio"/> NO </p>	---

6. Current ENVIS Staff Structure:								
	Name	Position held	Qualification and Experience	Joining Date in ENVIS Centre	Joining Date in current position	2017-18		
						Leaving Date (if applicable)	Emoluments drawn (Rs.)	
							Monthly	Annual
	Ms. Mhasizonuo Angami	Programme Officer	M.Sc Environmental Science & 9 years working experience	01.10.2017	01.10.2017	-	38,586.90	4,63,042.8
	Limitsa S. Sangtam	Information Officer	M.Sc (Environmental Science) & 5 years working experience	01.10.2017	01.10.2017	-	32,228.90	3,86,746.8
	Khriehunuo Rutsa	IT Officer	M.Sc (Environmental Science) & 5 years working experience	01.10.2017	01.10.2017	-	26,065.60	3,12,787.2

	Pulodi Kenna	Data Entry Operator	B.Sc & 10 years working experience	01.10.2 017	01.10.2 017	-	12,100.0	1,45,200. 0
--	-----------------	------------------------	--	----------------	----------------	---	----------	----------------

7.	<p>Mandate of the Host Organization</p> <ol style="list-style-type: none"> 1. To plan comprehensive programme for the prevention, control or abatement of water and air pollution in the state and to secure the execution thereof; 2. To advise the state Government on any matter concerning the prevention, control or abatement of water and air pollution; 3. To collect and disseminate information relating to water and air pollution, and the prevention, control or abatement thereof; 4. To encourage, conduct and participate in investigation and research relating to problems of water pollution and prevention, control or abatement of water pollution; 5. To collaborate with the central board in organizing the training of persons engaged or to be engaged in programmes relating to prevention, control or abatement of water and air pollution and to organize mass education programmes relating thereof; 6. To inspect sewage or trade effluent, works and plants for the treatment of sewage and trade effluents and to review plans, specifying or other data relating to plants set up for the treatment of water, works for the purification thereof and the system for the disposal of sewage or trade effluents or in connection with the grand of consent as required by the Water Act; 7. To inspect at all reasonable times, any control equipment, industrial plant or manufacturing process and to give, by order, such directions to such persons as it may consider necessary to take steps for the prevention, control or abatement of 	<p>Mandate of the ENVIS Centre</p> <ol style="list-style-type: none"> 1. Collection and storing local environmental issues/news through various sources. 2. Collection of books, newsletters, pamphlets, write-ups on environmental issues from different agencies. 3. Dissemination of information to government departments, students, libraries, research scholars, NGOs, various other agencies and to the general public. 4. Conducting awareness activities 5. ENVIS Hubs/RPs are driven to be a decision support system (DSS) at all levels of government with new green initiatives of MoEF&CC , such as GSDP, CESVP and NES-GRIDSS.
----	--	--

	<p>air pollution in such areas;</p> <ol style="list-style-type: none">8. To lay down, in consultation with the Central Board and having regard to the standards for the quality of air laid down by the central board, standards for emission of air pollutants in the atmosphere from industrial plants and automobiles or for the discharge of any air pollutant into the atmosphere from any other source whatsoever not being a ship or an aircraft;9. To evolve economical and reliable methods of treatment of sewage and trade effluents having regard to the peculiar conditions of soils, climate and water resources of different regions and more specially the prevailing flow characteristics of water in streams and wells which render it impossible to attain even the minimum degree of dilution;10. To evolve methods of utilization of sewage and suitable trade effluents in agriculture;11. To evolve efficient methods of disposal of sewage and trade effluents on land, as are necessary on account of the predominant conditions of scant stream flows that do not provide for major part of the year the minimum degree of dilution;12. To lay down standards of treatment of sewage and trade effluents to be discharged in any particular stream by taking into account the minimum fair weather dilution available in that stream and the tolerance limits of pollution permissible in the water of the stream, after the discharge of such effluents;13. To make, vary or revoke any order for prevention, control or abatement of discharge of waste into streams or wells and requiring any person concerned to construct new system for the disposal of sewage and trade effluents or to modify, alter or extent any such existing system or to adopt such remedial measures as are necessary to prevent control or abate water pollution;14. To lay down effluent standards to be complied with by persons while

	ENVIS Hub Nagaland Newsletter Vol 3: Issue No. 1 Jan - Mar 2019 Theme: Scope of bee keeping as a sustainable means of livelihood in Nagaland. <i>Main article contributed by: Nagaland Beekeeping and Honey Mission</i>	1000	-do-

Other publications/ information products brought out during 2018-19

	<p>Pamphlet: Brief Report on Green Skill Development Programme on Pollution Monitoring (Air & Water Pollution)</p>	<p>No. of Copies Printed = 200</p>
	<p>Book: Training Manual for Certificate Course in Pollution Monitors (Air Pollution) Under GSDP</p>	<p>No. of Copies Printed = 20</p>
	<p>Book: Training Manual for Certificate Course in Pollution Monitors (Water Pollution) Under GSDP</p>	<p>No. of Copies Printed = 20</p>

10. Implementation of Annual Plan of Activities of the Financial Year (2018-19):

Activity/Target	Achievements	Shortfalls if any and reasons therefore
Centre's proposed activity 2018-19		
1. Repository of Environmental Knowledge		
a. Website related activities	None	Website non-functional. Details awaited from the ENVIS secretariat.
b. Publication	<p>1. ENVIS Newsletter: As per Annual Action Plan for 2018-19, ENVIS Hub, ENVIS Hub Nagaland published 4</p>	-

	(four) ENVIS Newsletters. 2. Pamphlet: Pamphlet on Green Skill Development Programme was printed	
c. ENVIS library	There is no official ENVIS library as of now but the ENVIS Hub collects books, newsletter, journals, articles collected from newspapers, internet, government departments and various other agencies.	Due to space constraints the ENVIS library has not been set up in a proper manner yet.
d. ISBEID	Necessary action is being taken for collection of information to be uploaded.	Lack of recorded data with concerned departments.
e. Photo Bank	Photos of programmes and events conducted are compiled for record.	Photos will be uploaded on the website as and when website details are received.
f. Development of Educational kits	No specific educational kit has been developed but posters, banners and car stickers are printed and disbursed for awareness activities.	-
g. Development of mobile apps	The Hub is taking up necessary action for developing of mobile app.	Lack of experts
h. Query-Answer	-	-
2. State of Environment (SoE) Report:	-	-
3. State of Environment Atlas:	-	-
4. Grid Based Decision Support System (GRIDSS):	Kohima District has been selected for taking up of the 1 st phase of NES-GRIDSS in the State.	-
5. Green Skill Development Programme (GSDP) :	‘Certificate Course in Pollution Monitoring (Air and Water Pollution)’ was conducted under GSDP during 1st Nov – 15 th Dec 2018. 10 students completed the certificate course.	One more batch of training for Waste Management under GSDP was proposed but fund not sanctioned till date.

6. Community-driven Environmentally Sustainable Villages Programme (CESVP)	-	-
7. Monitoring (Ground Truth Verification) of Schemes:	-	Will be conducted as and when directed by the MoEF&CC
8. Extension & Outreach Programmes	<p>Programmes are organized in all eleven (11) districts of Nagaland in collaboration with other departments, agencies and school students for spreading of awareness. Activities such as cleanliness drives, plantation drives, paper recycling workshops and painting competitions are organized with Eco Club students.</p> <p>Environmentally important days like World Environment Day, World Ozone Day and Wildlife week are also observed.</p> <p>Awareness campaigns regarding use of firecrackers are also carried out during festive season. The ENVIS staff visits the districts and monitors activities during such programmes.</p>	-
9. Reaching-out/ Networking Activities	<p>During FY 2017-18, ENVIS staff visited Assam ENVIS Hub to learn about the various activities of ENVIS hubs. Thereafter ENVIS Hub Nagaland is in contact with other north east ENVIS Hubs through telephone, emails etc for enquiries and learning from other ENVIS Hubs.</p>	-

10. Status of Existing Hardware

	Hardware item	Specification	Sanction Order with Date	Date of procurement
Procured from ENVIS Grant 2017-18	1. Desktop Computer (4 Nos) with peripherals and UPS	Desktop PC set i5 processor + keyboard + mouse + UPS 1 kv + speaker + mousepad with windows 10	NPCB/ENVIS/FN-	14.11.2017

	2. Multifunction printer-cum-copier-cum-fax	Canon G4010	1/812 dated 08.11.2017	
--	---	-------------	---------------------------	--

11. Status of utilization of grant during the financial year 2018-19 as on 31-March-2019 and reasons for shortfalls, if any:

	Head of Expenditure	Sanctioned amount (Rs.)	Actual Expenditure (Rs.)	Reasons for Shortfall/ Excess (if any)
Recurring Annual	Manpower	13,07,776.80	13,07,777.00	-
	Others	4,65,300.00	4,65,300.00	-
	Travel	3,00,000.00	2,88,000.00	-
Non-Recurring	-	-	-	-

12. Issues/ hurdles faced in undertaking ENVIS activities:

1	ENVIS Website: The login details of the ENVIS website for ENVIS Hub Nagaland is awaited from the centre till date.
2	Data Gap in ISBEID: Data gap from line different line Govt. Departments and other agencies within the state for use in ISBEID and other activities has been one of the main issues and drawbacks faced by the Hub.
